

OU are now entitled to a Land Warrant for 160 acres; and if you have already received 40 or 80 acres you are ntitled to an additional quantity, equal to 160 or Warrants, it is important that the same be ired without delay, as the great number Warrants which will be thrown upon the arket.must soon materially reduce their luc. Persons entitled to Warrants are remested to apply to Jon . Livngston, No 157 irondway, New York, who has such arrangements with the Department as enables him to procure Warrents with the least possible de-

The applicant is required to state his name, age and residence, including town, country and state; the company, regiment and war he served in, and the captain of his company, whether the applicant enlisted or volunteered and on what day and year, and for what term; whether he has ever received any Warrant; and if so, for how many acres, and what has secome of such Warrant. If the claiment served in the many, his statement must be varied according to the facts of the case.

If a wicow applies, she must, in addition, give the place and time of her marriage, the nome and official title of the person who per-formed the ceremony, together with the time and place of her husband's death.

On receiving these facts, Mr. Livingston will send to the applicant, duly prepared, and ready for execution, all the necessary papers, with full instructions 'These papers, being duly executed, may be returned to Mr. Livingston; whereupon the certificated will be obtaineb, and either the Warrant itself, or the money therefor, as may be desire t, can be fors warded to the applicant or his attorney .-Regular correspondents, who prepared the cases of others, and forward them to the unders signed, will be liberally dealt with.

Having all the necessary blank forms, and being familiar with the requirements of the law, and his arrangement being completed, appicants can avoid much of the uncertainty and de av which might otherwise occur. Address all cammuications to
